A/V Component Wall Shelf

Single shelf

Part No.: 460774

When floor space is limited or adding furniture is impractical, this Manhattan A/V Component Wall Shelf attaches underneath or near wall-mounted flat-panel TVs to neatly organize and arrange multimedia components. Constructed of lightweight, durable steel materials and shatter-resistant tempered glass, the Manhattan A/V Component Wall Shelf saves space and safely holds DVD and Blu-ray players, receivers, set-top cable or satellite boxes, game consoles and more in contemporary style. The AV Component Wall Shelf gives a professional, finished appearance without restricting airflow to sensitive equipment. Ideal for residential, office, classroom, conference room and other installations, the Manhattan A/V Component Wall Shelf brings convenient access and modern design front and center.

Features:

- Securely holds a DVD/Blu-ray player, receiver, set-top box, game console and more
- Modern tempered-glass design directly mounts on a wall under flat-panel TVs
- Durable steel construction
